

MEDINAH  
ON THE LAKE

120 Lakeview Drive  
Bloomingdale, Illinois  
630.893.4883

*A new beginning.* Taking a walk underneath the towering trees along the bike path. Seeing the bright green heads of mallards shining in the sunlight. You walk past the private clubhouse and someone taking their morning swim. It's then that you realize that this is the kind of place you always wanted to call home.

**MEDINAH ON THE LAKE**  
Luxury condominium residences that are nestled in nature, along a winding creek and walking/bike path and, of course, a beautiful lake and beach—but are only steps away from dining, entertainment, shopping, a winery, a minor league baseball stadium and much more!

*A place for everything.* Tucked away behind full-growth trees, away from the hustle of everyday life, you'll find much more here than you will at other communities. Private tennis courts, a private outdoor pool and clubhouse, walking and biking paths—and a private beach with lake. Medinah on the Lake really is a place for everything. And certainly a place like no place else.

*Left* A closeup view of the clubhouse and lake beyond. *Above Left* An overhead view of the site shows the lake, pool, clubhouse and homes. *Above* Clean-lined red brick buildings with traditional architectural accents rise above the lake, most with spacious balconies.
